If more care is needed, schedules must be prearranged with the office to designate hours of care. If children are picked up late after half day scheduled hours, there is a charge of \$5.00 (per any part of additional hour). Late fees differ for after school closing at 6:00 PM as outlined in The Family Handbook. We accept Child Care Works subsidy payments through the ELRC (formerly the Apple Program). All families are required to pay the Registration Fee and some families are responsible for summer activity fee. For families receiving child care subsidy, no co-pay will be due for Christmas week. Private pay families will receive two (2) weeks credit to their account applied for Christmas week and for one week anytime from January through August.
