Summer Camp Enrollment 2026

We offer a full day camp experience for children who have finished Kindergarten through 3rd grade for children entering 4th grade September 2026. Our camp activities are based on monthly themes and will include trips. Our program allows time for children to work on summer enrichment packets, reading time and free choice for active games, board games and individual exploration. Our camp enhances social emotional relationships while exploring on approximately two field trips a week! *We hope to visit these trips again: Core Creek Park, Fall Township Park, Playwicki Park, Tyler State Park, Silver Lake, Miniature Golfing, Churchville Nature Center and more! Last year we were able to secure visits to restaurants, pretzel factories, Lego Land, a planetarium, Trenton Thunder, Urban Air, bowling, and even the Phillies and Eagles stadiums!*

June: "Farms and Forests" We'll be working from seed to sowing to harvesting. Our school age will be expanding last summer's "quiet space" teepee in the older playground. We will be creating a "flowery" garden around the teepee and maintain a small library for the younger kids to enjoy. We will chart the progress of our plants in a journal to better understand how weather and soil affects our plants during the summer. The best part, we can eat most of what we grow. Our explorations in the parks this year will focus on our senses: what can we see, hear, smell, feel? What creatures can we find in the woods, on the paths and in the water?

July: Will be "STEM-SATIONAL". We will learn about electricity by making circuits to light up our buildings. What buildings? The ones we created while exploring engineering. We will explore solar power to run small engines and cooking. Perhaps we will learn about chemical reactions! Who knows how far we will go?

August: Time to be "Artsy". Let's explore puppetry and maybe write a play to perform for the toddlers! Let's do some singing and dancing! What can we create with things we find in nature? How about some sculptures from clay we have made? There will always be some mixed medium projects like crayons and paint, or yarn fabric, how about learning to weave? The possibilities are endless!

Registration and Tuition Information

School Age Summer Camp	Weekly Rate
5 days	$285
3 days	$230
2 days	$200

- Families are responsible for payments for ALL weeks selected since these weeks will now be reserved for your child.
- A $200.00 non-refundable deposit for each camper is required, and it will hold your spot, $100.00 for a registration fee and $100.00 for a summer activity fee, for any family signing up for more than one week. *(ELRC only covers registration fees, not activity fees)*
- Tuition payments are due on the Monday or first day of attendance for that week.
- Registration of 2 or more campers from an immediate family will be given a discount of 10% on tuition for the second camper.
